- Director of Military Affairs –
  - Emailed partner chair. 2 items to donate so far. Waiting for more partners to join.
  - Interfaith chaplain – UU wasn’t helpful. Sacred Well also provides interfaith training. Suggest people looking for pagan services look there. TAC could recommend Heathens to serve in these groups
  - Talks with people who are frustrated with TAC and want to leave.
    - Complaints are vague -to address issue, create a jot form for exit interviews so we can see trends. The form would go to membership chair so they can remove member from CMR
    - Anonymous suggestion box – allows us to see what members think and what they want from TAC
    - Largest complaint is lack of transparency
