Treasurer – Been working on forms for 990 nonprofit paperwork

Assistant Director of Ambassador Program –

  - Discussion of his proposal to reach out to other organizations.
    - Bord is okay with reaching out to other inclusive organizations with the exception of AtN due to acts done by one of its leaders while a board member of TAC.
    - TAC cannot work with this person due to the nature of his actions while a board member. It would place TAC in a very bad situation if he were to repeat his actions within AtN.
